Stop believing the lies of the media of mass communication. These quotations will help you do that.

Jews totally run Hollywood. . . . But I don't care if Americans think we're running the news media, Hollywood, Wall Street, or the government. I just care that we get to keep running them. — Joel Stein (articles.latimes.com/2008/dec/19/opinion/oe-stein19)

Let's be honest with ourselves, here, fellow Jews. We *do* control the media. . . . But that's not all. We also control the ads that go on those TV shows. . . . And let's not forget AIPAC. . . . We're talking an organization that's practically the equivalent of the Elders of Zion. —

As one man, the Jewish advertisers withdrew their advertisements from Mr. Bennett's newspapers. Their assigned reason was that the *Herald* was showing animosity against the Jews. The real purpose of their action was to crush an American newspaper owner who dared be independent of them. — Henry Ford's *The International Jew*; vol. 2, chapter 39

The conscious and intelligent manipulation of the organized habits and opinions of the masses is an important element in democratic society. Those who manipulate this unseen mechanism of society constitute an invisible government which is the true ruling power of our country. — the Jew Edward Bernays

Newspaper control . . . by the Jews is not a matter of money. It is a matter of *keeping certain things out of the public mind and putting certain things into it*. — Henry Ford's *The International Jew*; vol. 1, chapter 17

Thirty years ago the New York press was free. Today it is practically all Jewish controlled. — Henry Ford's *The International Jew*; vol. 2, chapter 39

What ruined the Klan in the 1920s was the concerted outpouring of derision and filth by the newspapers. . . . I was acquainted with a man who had gone to a friend, the editor of the leading newspaper in a fairly large city, and asked why he was attacking the Klan with preposterous piffle. . . . The editor's explanation was succinct: “Boss's orders.” . . .

[T]he historical truth [is] that [the] Ku Klux Klan had, in the bitter aftermath of the invasion of the South in 1861, heroically preserved the South from becoming what the scabrous gang of Republicans intended, a vast and stinking slum filled with diseased and mindless mongrels. — Revilo P. Oliver (*Liberty Bell*; Dec. 1991; pp. 31–32)

[I]n the United States . . . [p]ropaganda is mostly in the hands of the Jews who control almost 100 percent radio, film, daily and periodical press. — Jerzy Potocki, Poland's ambassador to the U.S.A.; January 12, 1939 (www.ihr.org/other/lindbergh2011.html)

[Potocki] was highly critical of the American Jews. He believed that Jewish influence on American culture and public opinion, which he regarded as unquestionably preponderant, was producing a rapid decline of intellectual standards in the United States. — David L. Hoggan; “President Roosevelt and the Origins of the 1939 War” (*Liberty Bell*, March 1984)

Money, press, and votes determine life and death in a democracy. The Jews control all of them, and through these the Romanian political parties turned into simple tools in the hands of the Judaic power. — Corneliu Zelea Codreanu; *For My Legionaries*

Their [the Jews'] greatest danger to this country lies in their large ownership and influence

in our motion pictures, our press, our radio, and our government. — Charles Lindbergh; September 11, 1941 (en.wikiquote.org/wiki/Charles_Lindbergh)

This stranglehold [of the Jews on the media] has got to be broken, or this country's going down the drain. — Billy Graham to Richard Nixon; 1972

Jewish author ... Gabler ... tells how they replaced the “real” America. “They created their own America, an America which is not the real America ... but ultimately this shadow America becomes so popular and so widely disseminated that its images and its values come to devour the real America. And so the grand irony of all of Hollywood is that Americans come to define themselves by the shadow of America that was created by Eastern European Jewish immigrants....” — archive.org/details/JewishSupremacismByDavidDuke

Goyim were born only to serve us. Without that, they have no place in the world—only to serve the People of Israel. ... They will work, they will plow, they will reap. We will sit like an effendi and eat. — Rabbi Ovadia Yosef web.archive.org/web/20101020044210/http://www.jpost.com/JewishWorld/JewishNews/Article.aspx?id=191782

The difference between a Jewish soul and souls of non-Jews—all of them in all different levels—is greater and deeper than the difference between a human soul and the souls of cattle. — Rabbi Kook the Elder (Shahak and Mezvinsky; *Jewish Fundamentalism in Israel*)

Everyone has noticed that when a Jew or a few Jews associate with *goyim*, they successfully simulate the manners and culture of the people among whom they have planted themselves; but when Jews become a majority in any place, from a single room to a city, they become a swarm, a buzzing synagogue, an unmistakable alien species. — Revilo P. Oliver

The Dearborn Independent knows that in Eastern Europe the Jew has not been persecuted, but has consistently acted as persecutor. ... They are persecutors in Poland. They are persecutors in Russia. They are persecutors in Palestine. ... They will be persecutors here as soon as they think they can start it. — Henry Ford’s *The International Jew*; Volume 4; Chapter 73

“If a Jew needs a liver, can you take the liver of an innocent non-Jew passing by to save him? The Torah would probably permit that. [T]he desire for attaining power over *shiksa* females, and particularly to degrade them, is very apparent—the ultimate symbol of dominance is the ability to degrade with impunity. theoccidentalobserver.net/2017/10/20/harvey-weinstein-revenge-and-domination-as-jewish-motives

The protagonist is an Englishman . . . who has attained a considerable success as a producer of high-grade motion pictures, in partnership with . . . a Kike, who naturally stabs the Englishman in the back financially, partly from greed, but primarily, as he confesses, because he *hates gentlemen*. He plans to use the studios to produce films of the hardest “hard-core” pornography to induce and spread corruption. . . . [H]e is supplied with large sums of money from unidentified sources to achieve his purpose, . . . [and] he is driven by an innate lust to pollute, to defile, to destroy a civilization he instinctively hates, and to that end he is prepared to sacrifice everything, including his own children. In this part of the story there is a fundamental and timeless truth—a fact of life that it is suicidal to ignore. — Revilo P. Oliver; “Prophetic Fiction” (*Liberty Bell*, Oct. 1985)

Throughout history, the Jews have always and invariably attacked nations by infiltrating their territory under specious disguises, and then applying gradually the method that Dr. Conner perfectly summarizes in one short sentence: “First defile, then destroy.” — Revilo P. Oliver; “The Last Stand” (nationalvanguard.org/2015/03/the-last-stand)

[M]ore than 92,000 . . . men are now fighting the Boy Scouts because they were . . . sexually abused in the Boy Scouts. . . . I’ve got a whole number of [Jewish publications] talking about how Jews . . . are absolutely devoted to making sure that Boy Scouts take in [homosexual] scouts and [homosexual] scout masters. . . . Here’s from the *Washington Times*: “Jews urge Boy Scouts to admit gays [homosexuals] and transgenders” . . .

And it is against this that the Jews protest. “You must not identify us,” they say, “you must not use the term ‘Jew’.” Why? Because unless the Jewish idea can creep in under the assumption of other than Jewish origin, it is doomed. — Henry Ford’s *The International Jew*; vol. 4, chapter 65

[I]t is an aspect of parasitism in which the parasite must somehow deceive the host, for were the host to understand its loss (and possible impending death), it would resist the parasite. To the extent that Jews act as parasites, they must have strategies that prevent the host from realizing what is happening. Since Hollywood is such a damaging form of assault on traditional White society, viewers of poisonous Tinseltown films must not notice how Jewish Hollywood is nor can they ever imagine that Jews might be harmful. — www.theoccidentalobserver.net/2017/10/31/jews-the-shiksa-ii-dustin-hoffman

The Jewish strategy of dominance and power is seldom one of open conquest by force of arms. Instead, it is the strategy of biological parasites, which make their way into a society built by another people, often in disguise. Once ensconced inside the gates, they begin to secretly and then openly work in concert against the host society: they undermine its soli-

darity, corrupt its institutions, and spread memes of anarchy, chaos, and a concocted morality the central tenets of which are the “evil” of protecting or preserving the host population, and the “moral imperative” to protect the parasites, which are newly and increasingly defined as possessing a kind of “divinity.” — Kevin Alfred Strom

[E]verything that happens in the world is for the benefit of the Jewish People. . . . Simply put another way, if all the world is a stage, then the Jews—and especially those in the Land of Israel—are the lead actors on the stage of history, and the *goyim*—the nations, i.e. the gentiles—have supporting roles. . . . G-D . . . created the world for the sake of the Jewish People, and it is our responsibility to implement the Torah—absolute morality and the blueprint of creation—in it. — www.IsraelNationalNews.com/Articles/Article.aspx/2125

The most important and pregnant tenet of modern Jewish belief is that the *Ger*, or stranger, in fact all those who do not belong to their religion, are brute beasts, having no more rights than the fauna of the field. — Richard Burton; *The Jew, The Gypsy, and El Islam*; chap. 4

[A]t some early date, perhaps as early as the Third Century, it became a religious duty of Jews to spit on crosses wherever they saw one and could expectorate on it safely. This rule is still binding on orthodox Jews. . . . — Revilo P. Oliver; “Yiddish Arithmetic”

Evyatar says he himself was spat at while walking with a Serbian bishop in the Jewish quarter, near his home. “A group of yeshiva students spat at us and their teacher just stood by and watched.” www.haaretz.com/christians-in-jerusalem-want-jews-to-stop-spitting-on-them-1.137099

When he returned to his car, an elderly man wearing a skullcap came and knocked on the window. When the clergyman let the window down, the passerby spat in his face. The clergyman preferred not to lodge a complaint with the police and told an acquaintance that he was used to being spat at by Jews.

The Jewish Festival of Purim fell on 15th February, 1840. Father Thomas, a Catholic monk, disappeared in Damascus [Syria] on 5th February. His servant went to look for him and disappeared also. . . .

Sixteen Jews were found to have been involved, and all were arrested. . . .

Several of the Jews . . . described how the blood was required and collected from the cut throat of the victim to send to a Rabbi for use in preparing ceremonial bread. . . .

[T]he remains were found where the prisoners said they were. . . .

Further, the wretches confessed to serving Father Thomas’s servant in the same way, i.e., cutting his throat, collecting his blood, and disposing of the remains, this time in a latrine. . . .

Fourteen Jews were found guilty, and ten were condemned to death, two having died. . . .

The rich Jews, Moses Montefiore in England, Cremieux and Munck in France, went off hot-foot to the East. They applied to the Khedive of Egypt, whose regime included Damascus, for a revision of the sentence. He was offered and accepted a huge sum of money and released the condemned Jews. . . .

The words of the Khedive’s firman which he issued to release the Jewish murderers give the whole thing away:—

“ . . . And as, because of their numerous population, it would not be convenient (*convenient*) to refuse their demand and request, we order that the Jew prisoners shall be released. . . .”

He released the Jews therefore because of the numbers of Jews in the population . . . and undoubtedly for cash received. He knew their guilt, and never denied it.

— Arnold S. Leese; *Jewish Ritual Murder* (1938); chapter 10.

A Jew commits a murder or a rape or some other serious crime in the United States, and if he's worried about being caught and punished he simply catches the next flight to Israel. That country has a custom of refusing to extradite any Jewish criminal wanted for an offense against non-Jews in another country. . . .

In September 1997 Sheinbein and another Jew, Aaron Needle, killed a non-Jewish teenaged neighbor. . . . When the Maryland police came looking for him, Sheinbein got some money from his wealthy parents and hopped the next flight to Israel. He's been there ever since. The Israelis consider it immoral to turn a Jew over to Gentiles to be punished, and they have refused all requests by Maryland authorities for his extradition. — Dr. William L. Pierce (nationalvanguard.org/2018/06/special-treatment-2)

Scher, who was the Israeli vice-consul in Rio, and at one point the consul-general, was charged with running an illegal child pornography and prostitution business. . . .

“We confirmed that the pornographic pictures were taken next to the consul's pool and on his deck,” said Roberto Costa, a chief investigator for the civil police. “We are going to charge him with exploiting minors and prostituting them.”

After Brazilian authorities notified the Israeli embassy of plans to revoke Scher's diplomatic immunity, he fled. . . .

Ma'ariv reported that Israel refused to extradite Scher and instead conducted its own investigation. They found that Scher had merely “behaved inappropriately for a diplomat.” And banned him from foreign diplomatic missions for five years.

A spokesman for the Israeli Foreign Ministry in Jerusalem, Mark Regev, confirmed the disciplinary hearing upon Scher's return from Brazil five years ago. “He was a young and single man at the time. Now . . . there is no reason why he shouldn't make an excellent diplomatic appointment in Australia,” Regev told the *Herald* on Friday. — archivo.argentina.indymedia.org/news/2005/02/265665_comment.php

Jewish drug dealers, child porn pushers, and slave traders are free from prosecution in Israel. Israel does not consider these to be crimes . . . so long as the victims are non-Jews. — www.theoccidentalobserver.net/2009/08/the-culture-of-deceit

I read to you from the June 16 [2000] edition of . . . the *Jerusalem Post*, . . . which . . . reported on the luring of Gentile girls from Russia, Ukraine, Latvia, Hungary, and other eastern European countries to Israel with the false promise of high-paying jobs as secretaries or teachers and then the grabbing of these girls by Jewish slave dealers as soon as they land in Israel. The girls are raped, beaten, and terrorized by the Jewish slave dealers to make them compliant, and then they are auctioned to the owners of brothels and sex clubs, where they are kept in locked apartments and forced to work as prostitutes. The *Jerusalem Post* article also reported that the reason Israel is the center of the international trade in White female slaves is that in Israel it is perfectly legal to buy and sell human beings and to own slaves, provided they are not Jews. — William L. Pierce; “The Nature of the Beast”

The US State Department, in its 2001 Trafficking in Persons Report, described Israel as among the very worst international offenders in allowing white slavery. They classed Israel in Tier 3, a group described as “not making significant efforts to bring themselves into compliance with the standards of the Dictums of Trafficking and Violence Protection Act of 2000.” Israel was grouped with Albania, Gabon, Kazakhstan, Malaysia, and Pakistan, who also received an “F” for failing to protect human rights. — www.goodnewsaboutgod.com/studies/political/jews/whorehouse.htm

The Rome Observer [ran] a story of how the Italian police have broken up a paedophile ring which had been kidnapping non-Jewish children aged between two and five from orphanages, and then raping and murdering them. The paedophile ring had filmed these rapes and murders for the benefit of the global “snuff film” industry. . . .

The Jews struck back. The problem is that this paedophile ring consisted of eleven Jewish gangsters, and the Italian broadcast media had been so bold as to inform their more than eleven million viewers of such, and even go so far as to broadcast footage of these Jewish gangsters' arrests! . . . [T]he Jewish community in Italy went mad, claiming "blood libel," and demanded that the Jewish elite who sat on the board of the TV network responsible . . . fire the news executives who allowed this story to be broadcast. This was, of course done, and incidentally, none of America's news networks carried any report of this Jewish paedophile network story. — archive.org/details/TheSynagogueOfSatanAndrewCarringtonHitchcock

"In Russia, for example, traffickers prey on orphanages. In a typical scenario, a trafficker will pay an orphanage director approximately \$12,000 to take a group of children on a 'field trip' to the local McDonald's, for example. Groups of children will then leave the orphanage with the trafficker and never be seen or heard from again."

. . . . Congressman Smith, of course, did not dare to identify the slave traders who abduct Russian girls from orphanages and force them to become sex slaves, but I'll tell you who they are. They are members of the *Organizatsiya*, the Jewish organized crime syndicate misleadingly referred to by the media in this country as the "Russian Mafia." — Dr. William L. Pierce; "The Rubes and the Carnies"

In the Carolingian Empire "Jewish merchants exported to the Mediterranean world not only fur, timber, and swords, but also slaves. Blond Germanic slaves brought to the markets and Arab Mediterranean cities by Jewish merchants were much in demand, especially if they were young boys or adolescent, nubile women." —

The first instinctive answer which the Jew makes to any criticism of his race coming from a non-Jew is that of violence, threatened or inflicted. . . . Of recent months the country has been full of threats against persons who have taken cognizance of the Jewish Question, threats which have been spoken, whispered, written, and passed as resolutions by Jewish organizations. — Henry Ford's *The International Jew*; vol. 2, chapter 39

The head of . . . the ADL is Jonathan Greenblatt. He recently condemned famous musician and gun-rights advocate Ted Nugent for daring to say who is really leading the push to take away Americans' Constitutional gun rights. I will quote Greenblatt directly. "Nugent shared a graphic titled 'So who is really behind gun control?' on his Facebook page. The visual fea-

tured thumbnail photos of prominent Jewish Americans, including former New York City mayor Michael Bloomberg, Senator Chuck Schumer, Mayor Rahm Emanuel, and Harvard professor Alan Dershowitz and several others, with each photo emblazoned with the Israeli flag.” . . . Every name Greenblatt mentioned is a leading gun-control advocate, and as far as the Israeli flag, all of them are dedicated Zionist Jews, 100% committed to Israel (which, by the way, allows its citizens to carry submachineguns if they want) while they oppose gun rights for American citizens. — archive.org/details/DavidDuke_videos (Ted Nugent VS the ADL)

In Jerusalem, the United Nations (a truly United Nations) will build a Shrine of the Prophets to serve the federated union of all continents; this will be the seat of the Supreme Court of Mankind to settle all controversies among the federated continents, as prophesied by Isaiah. — David Ben Gurion (*Look*, 16 January 1962)

After twenty-four years, Mr. Porter disclosed the fact that his cryptographic staff in the [American] Embassy at Beirut [in 1967] had intercepted . . . communications between the commander of the Israeli air squadron and the Israeli High Command, which proved that the latter knew that the *Liberty* was an unarmed American naval vessel. . . .

When the Israeli bombers and torpedo-planes were sent to attack and destroy the ship, the Jewish commander, seeing that it was an American vessel, had misgivings and reported to the High Command, which simply repeated the orders to attack and sink the *Liberty*. . . .

Lyndon Johnson . . . ordered the Navy to cover up the attack and intimidate the survivors. . . .

And, naturally, there were the usual hints of a boycott and other reprisals against the vile newspaper that had dared to publish an article that was not laudatory of the Master Race.

The underlying thought was clear. Why so much foolish talk about a trivial incident? The Jews merely killed thirty-four of their American pigs and wounded 171, maiming some. What was wrong about that? Doesn't everyone know that, as . . . the Holy Talmud explicitly states, *only* Jews are human beings? That the lower animals can have no rights? — Revilo P. Oliver; “A Bit of Good News” (www.revilo-oliver.com/rpo/Bit_of_Good_News.html)

[T]he Jew in command of the three Mirage jets that attacked the *Liberty* was born in Baltimore. . . . The pilot of the second Israeli plane . . . had served in the US Navy Air Corps. . . . It is rather disheartening to think that the American armed services had trained two fighter pilots who thought so little of their country of birth that they joined the air force of another country and carried out a murderous air assault on an American ship. But such are the loyalties and nature of Jews. — Kevin Alfred Strom (nationalvanguard.org/2020/06/join-the-liberty-truth-campaign-part-2)

These aren't even human. The people [*sic*] who attacked the *Liberty* are not human. — Dave Gahary (2016-08-04 on the Andrew Carrington Hitchcock show)

But [Jews] are quite alien in their nature. It is almost as if they had landed here from another planet. They disguise their alienness with a remarkable talent for deception. We are like a bunch of rubes at a circus, at a carnival, and they are the carnies. — Dr. William L. Pierce; “The Rubes and the Carnies”

In 1943, for example, Yitzhak Shamir arrogantly proclaimed:

“Neither Jewish ethics nor Jewish tradition can disqualify terrorism as a means of combat. We are very far from having any normal qualms as far as our national war goes. We have before us the command of the Torah, whose morality surpasses that of any other body

in the world: *Ye shall blot them out to the last man.*” — Revilo P. Oliver; “The Terrorist” (*Liberty Bell*, Feb. 1989.)

Several years ago, the retired *maitre d’hotel* of the Senate restaurant reported in his memoirs that when the drunks happily staggered from their tables, they sometimes left behind paper bags, some of which, if I remember correctly, contained as much as \$100,000 in tightly-packed currency. — Revilo P. Oliver; “Building Your Future” (*Liberty Bell*, June 1990)

All Jews over the entire world form a great collectivity bound together by blood and by the *Talmudic* religion. . . .

II. *For winning over local authorities:*

1. Corruption, bribery. A policeman from the smallest town in Moldavia, in addition to the pay he receives from the State, gets monthly another salary or two. Once he accepts a bribe, he becomes the Jews’ slave, and if he does not follow orders, then they use on him the second weapon: 2. Blackmail; if he does not comply, his bribe-taking is revealed. 3. The third weapon is destruction. If they realize you cannot be swayed or subjected, they will try to destroy you, searching well your weaknesses. If you drink, they will seek an opportunity to compromise you through alcohol; if you are a skirt-chaser, they will send you a woman who will compromise you or destroy your family; if you are violent by nature, they will send your way another violent man who will kill you or whom you will kill and then go to prison. 4. If you lack all of these defects, then they will employ the lie, whispered or printed calumny, and denounce you to your superiors.

In the market towns and cities invaded by Jews, local authorities are . . . *in a state of bribery, a state of blackmail, or in a state of destruction.*

Courageously, standing some fifty feet from the Israeli Army bulldozer as it slowly approached her Palestinian friend’s modest home, Rachel [Corrie] used a bullhorn to plead with the Israeli bulldozer driver and his assistant, begging them not to commit this terrible crime. . . .

Then, abruptly, the terrible vehicle was jammed into high gear; it lunged forward and headed straight toward her.

Rachel courageously held her ground and tried once again to plead with them. . . .

The Israeli soldier driving the bulldozer, a stern and contemptuous smirk on his face, rammed the machine onward. He knocked Rachel down, ran the bulldozer entirely over her body and buried her with its tons of steel. After a few seconds, he put the machine in reverse without even bothering to lift the heavy blade, effectively running over her a second time.

Rachel’s stunned friends quickly ran to her maimed, still body and administered first aid. The pitiful young girl sobbed, moaned, and cried out, “Please . . . help me . . . My back is broken.”

As they were kneeling over her, other Israeli soldiers on a U.S.-made military tank drove up and gazed on the scene. Rachel’s friends pleaded with the soldiers to use their radio to seek immediate medical help for her, hoping in vain that they would call for an Israeli military doctor to come and assist.

The unaffected soldiers simply shook their head no and retreated without offering assistance.

Finally, the clock ticking away, life slowly ebbing from Rachel’s mangled body, a Palestinian ambulance arrived. Its driver and an aide lifted Rachel onto a stretcher and it sped away to a Palestinian hospital. On the way, Rachel’s voice grew silent, and upon arrival, she was pronounced dead. — www.texemarrs.com/072003/rachel_corrie.htm

One of [the Zionists’] streams of output . . . tells everyone else they should mix together . . . ; and the other stream of output is . . . for internal consumption, and that says an entirely different and much more healthy thing: that Jews should intermarry with other Jews. . . . — Mark Collett (archive.org/details/Duke.20161104)

The Jew is always told by his leaders that regardless of religion or country of birth, he is a Jew, the member of a race by virtue of blood. — Henry Ford’s *The International Jew*;

vol. 1, chapter 17

One of the very important aspects of this, too, is the way that they always try to undermine our sense of identity, our sense of heritage, while at the same time they have . . . stories, even in the *New York Times*, how Jews are . . . like fourth or fifth cousins. . . . It has just come out . . . DNA testing companies . . . admit adding fake African ancestry to White profiles in order to screw with “racists”. . . . When you look at the people who own these companies, they’re not on our side—they’re here to destroy us. — archive.org/details/Duke.20171208

IsraAID . . . is an Israeli NGO which doesn’t campaign for immigrants to come to Israel, but campaigns for open borders and mass immigration in Western nations.

IsraAID is now on the ground helping this caravan of immigrants to reach America, and they have even been putting stars of David on some of the trucks which are helping these people and delivering them aid to help them on their journey. And yet again, you can see this absolutely glaring hypocrisy where a group of people . . . who want their walled ethno-state, safe in the middle east, . . . are dispatching teams of NGOs all over the Western world . . . welcoming migrants. — Mark Collett ([archive.org/details/DavidDukeOnTheRenseNetwork-2018\(2018-10-26\)](https://archive.org/details/DavidDukeOnTheRenseNetwork-2018(2018-10-26)))

[T]he entire program . . . involved deception from beginning to end. This is suggested by the authors’ clear political agenda and the pervasive double standard in which gentile ethnocentrism and gentile adherence to cohesive groups are seen as symptoms of psychopathology whereas . . . no mention is made of Jewish ethnocentrism or allegiance to cohesive groups. — Dr. Kevin MacDonald; “The Frankfurt School of Social Research and the Pathologization of Gentile Group Allegiances”

As soon as they [the Jews] arrive in a nation, they feel they have the right to get involved in all institutions and organizations of the people that sheltered them. . . . But . . . they discriminate [against] the natives in their own lands, thinking they have the right to impede the entrance of their hosts into their own Jewish communities, private clubs, and synagogues. . . .

[T]he Jew who either publicly or secretly tries to destroy the unity of the Gentile families—precisely to weaken the peoples they attempt to conquer—keeps his own families in a necessary state of unity and moral loyalty. . . . — István Bakony; *What Is Judaism?*

[T]hey have this . . . idea of extended family, but that idea of extended family is the very thing they try to destroy amongst White people. So whereas we don’t see each other as brothers— . . . we see everyone just as individuals—they see every Jew around the world as part of a large extended family, and they look out for each other. And that gives them this incredible power and this incredible standing in society, and obviously their game has to be ensuring that no one else has that sense of community—no one else has that sense of group ethnic pride, because if they and they alone have that, it places them above everyone, and it gives them an incredible power over everyone else. So whilst we’re all mixing, while we’re all destroying our cultures, while we’re all in the big “melting pot”, they’re standing over the

pot stirring the spoon and reading out the mantra of multiculturalism while ensuring that they as a people do anything but that. — Mark Collett (archive.org/details/Duke.20170403)

The Jews subvert nations they attack by [promoting] virtues and “social goods” that are the opposite of their own covert racial standards but serve to anaesthetize their victims and make them docile prey. — Revilo P. Oliver; “The Last Stand”

[T]he Identity Politics being used to delegitimize white people has its roots in the Jewish cultural Marxism of the Frankfurt School.... I doubt that any Aryan at that time, not even Adolf Hitler or Julius Streicher or Alfred Rosenberg, perceived the full intensity of the Jews’ hatred of civilized mankind, the terrible solidarity of the anti-human race, or the enormous power over us they had already attained by centuries of patient infiltration and massive deceit. White people are the only people that are denied the right to freedom of association, and I consider that a form of slavery. . . .

What is the whole point of the “civil rights” movement? To strip White people of our rights of freedom of association.

From the *New York Times* of October 11, 1991, . . . we learn that . . . researchers at Boston University admitted that, “There is no question but that Dr. King plagiarized in the dissertation.” . . . “Dr. Martin Luther King, Jr.” [Michael King] spent his last night on Earth having sexual intercourse with two women at the motel and physically beating and abusing a third. — www.revilo-oliver.com/Kevin-Strom-personal/Beast_as_Saint.html

Openly bisexual Oregon Governor Kate Brown quietly signed a bill last month [July 2021] that removed the requirement for graduating high school children in the state to be proficient in reading, writing, and math, in an effort to aid “students of color.” — nationalvanguard.org

Look at what happened to James Watson, the co-discoverer of DNA, for God’s sake—stripped of his position at Cold Spring Harbor Laboratory because he said out loud what every honest scientist knows: that the intelligence of Africans is not equal to that of other races. Look at what happened to the co-inventor of the transistor, William Shockley: viciously and unrelentingly attacked in the media for the last two decades of his life because he dedicated those years to promoting the advancement of the race. . . . — Kevin Alfred Strom; “Toeing the Line”

Other neighbors said that Darius Sessoms had been a dinner guest of the Hinnant family just the previous Friday evening. — David Sims; “Another Innocent Victim of Multiracialism” (nationalvanguard.org/2020/08/another-innocent-victim-of-multiracialism)

When the savage in them [Congoids] is aroused, they, unless supported by White renegades, do not attack White men who have treated them harshly or even cruelly—they are afraid of them—but attack instead men who have been kind to them, thinking kindness a weakness. In Africa, Aryan ideas of kindness are interpreted by Blacks to equate with weakness. . . . The Founders understood this type of high-trust nation that afforded individuals tremendous freedom was predicated upon a White society. The phrases “for ourselves and our posterity” of the Constitution and “free white persons of good moral character” from the Naturalization Act of 1790, are quite explicit in envisioning a White future for the U.S. — www.theoccidentalobserver.net/2017/11/08/the-folly-of-civic-nationalism

Now a nation is a *natio*, a group of persons who are racially and ethnically so closely akin that they could be described (as they were in Antiquity) as all the descendants of an eponymous ancestor. By 179 B.C. the Jews had become so numerous in Rome and so active in spreading corruption and crime that P. Cornelius Scipio Hispalus, when he was Urban Praetor, tried to expel all of the Jews who had neglected to acquire Roman citizenship. . . . In Cicero’s time, the Jews in Rome were able to produce economic crises and profit from them, and to instigate, under various pretexts, political prosecution of provincial governors who impeded their spoliations. — Revilo P. The famous geographer, Strabo, writing c. 35 B.C., . . . stated that the *oecumene*, i.e., the world inhabited by civilized or semi-civilized peoples, was “full of Jews,” who had “penetrated every city” and become so ubiquitous that, he said, “it is not easy to find any place in the *oecumene* into which their race has not made its way or in which it has not gained mastery [over the natives].” — Revilo P. Tacitus marvelled at the Jews’ “obstinate devotion to their own kind” coupled with “implacable hatred of the rest of mankind.” He wrote before . . . the Jewish outbreaks in many Roman provinces around A.D. 117. In Cyrenaica, . . . the Jewish swarm caught the stupidly complacent Greeks and Romans off guard and slaughtered more than 200,000 men and women. . . . — Revilo P. Oliver

The Jews were never “thrown out” of . . . Palestine. . . . The Romans certainly made no effort to expel them after 70, and Palestine was still so swarming with Jews in A.D. 134 that . . . Remember the slew of bomb threats a couple years back against Jewish Community Centers and other targets, including transportation hubs, in multiple countries? . . . Turns out, the perpetrator . . . is actually an Israeli-American. . . .

Kadar’s bomb threats targeting Jewish centers prompted a number of multinational tech companies to kick nationalists off the Internet and resulted in the banning of several book publishers from retail platforms like Amazon. — John Friend (americanfreepress.net/jewish-man-guilty-of-bomb-threats)

For many centuries Jews have engaged in the construction of false narratives that act to reinforce in-group identity while simultaneously disarming . . . out groups. The most powerful of these narratives can be grouped under the broad heading of the ‘victimhood narrative.’

. . .

Ultimately, the key to bringing down the phenomenon of the Jewish hoax will not lie in the exposure of single incidents or historical events, but in the conclusive elimination of the narrative of Jewish victimhood. Jews are a powerful, protected, and very privileged elite—and they always have been. Their appeal to victimhood status would be laughable but for the fact it is one of the key strategies behind our decline. — Andrew Joyce, Ph.D.; “Reflections on the History of the Jewish Hoax”

Hence, toward the end of [*Schindler’s List*] . . . , Schindler’s Jews present Schindler with a ring upon which is inscribed a quotation attributed to the Talmud, “He who saves a single life, saves the entire world.” . . .

However, the actual Talmud verse referred to in the movie says no such thing. Here is

what the Talmud really says, “Whosoever preserves a single soul of Israel, Scripture ascribes to him as if he had preserved a complete world” (Tractate Sanhedrin 37a).

The Talmud only praises the saving of Jewish lives. — Michael A. Hoffman II; “Is Spielberg Guilty of Falsifying the Talmud in His Movie *Schindler’s List*?”

[T]he number of Jews killed there was 800,000,000. . . . [T]he Talmud makes it all clear by informing us that the blood of the holocausted Jews ran to the sea in a huge tidal wave that swept boulders in its path and was so deep that it reached the nostrils of the Romans’ horses. — Kevin Alfred Strom (nationalvanguard.org/2014/09/disillusioned-part-1)

Whether we are talking about the ancient pamphlets of Philo, the tomes of Josephus, or the activities of Jewish scribes in the Middle Ages, control of media and the means of communication are crucial. Klier pointed out that the pogrom hoax gained momentum in the West mainly because the then-influential British *Daily Telegraph* was at that time Jewish-owned, and was particularly “severe” in its reports on Russian treatment of Jews prior to 1881. . . .

Klier stated that “the author’s most influential accounts, given their effect on world opinion, were his accounts of the rape and torture of girls as young as ten or twelve.” Klier found that “Jewish intermediaries who were channeling pogrom reports abroad were well aware of the impact of reports of rape, and it featured prominently in their accounts.” All such accounts were wholesale fabrications. . . . — Andrew Joyce, Ph.D.; “Reflections on the History of the Jewish Hoax”

Russia’s 6,000,000 Jews are facing extermination by massacre. — *The New York Times*; July 20, 1921; page 2; “BEGS AMERICA SAVE 6,000,000 IN RUSSIA” (archive.org/details/SixMillionJews19151938)

I informed him that the Israelis were hot on his trail and that they had made him number one on their most wanted list. . . .

Right off, he made it quite clear that he would have no part of going to Chile for his own safety. He also made it a point to tell me that justice was on his side, because he had committed no crimes and had killed no Jews; but, on the other hand, had helped many of them to re-settle in Palestine. . . .

I turned and asked him one more question, “If the Israelis do grab you, what will you do? How will you react?”

“I will offer no resistance. I will coöperate fully. I will go along peacefully because I don’t believe I will be harmed.”

“Then you’re a dead man.”

Reagan, in a private conference with some of his Jewish patrons, solemnly asserted that he was a witness to the truth of their fictitious Holofoax because he had been an Army photographer in Germany in 1945 and had seen with his own bright eyes the awful wickedness of the Germans. . . . Some of us were disappointed that he lied; more were disappointed that he lied so brazenly, when he knew full well that the records, available to everyone, showed that he was never in Germany or even abroad while he was in the Army. . . . — Revilo P. For two years . . . he was held in solitary confinement in the Toronto West Detention Centre, on the pretext that he is a threat to national security. . . . Keegstra was charged with “wilfully promoting hatred” against an ethnic and religious group. . . . It is an extraordinary commentary on the double standards prevailing today that to proclaim the ‘Holocaust’ story as true is not “wilfully promoting” against Germans but

to proclaim it as false is “wilfully promoting hatred” against Jews! — “The Extraordinary Case of James Keegstra”; *Liberty Bell*; July 1984; p. 36

The National Assembly elected a woman named Elizabeth Kopp to be one of seven members of the Federal Council. . . . The victims are to be narcotized by the universal religion that is now being brewed, and of the nature of which the recent “union of faiths” promoted by the Chief Dervish in Rome gave an adequate indication. It is to be an oecumenical mish-mash of all superstitions, including *ju-ju*, with a vaguely Christian coloring, and in which the Holofoax will eventually replace the Crucifixion. — Revilo P. Japan was not really “opened” to foreign commerce until after a British fleet had bombarded the city of Kagoshima and reduced it to rubble, and another British fleet, with a few American, French, and Dutch vessels added to make it seem international, levelled Shimonoseki in 1864. . . . That finally convinced even the most reluctant Japanese of the charms of Western civilization, and thereafter they set out whole-heartedly to acquire its technological power. — Revilo P. American aviators would be released from the Army, Navy, and Marine air corps to be hired as mercenaries through the Intercontinent Corporation, . . . which would hire them “under contract with the Chinese government” Japan would thus be unable to prove that the Roosevelt government’s pretense of neutrality . . . was odious hypocrisy. . . .

The plan for the sneaking attack on Japan . . . [was one] that Roosevelt obviously had authorized no later than 15 April 1941, eight months before Pearl Harbor. . . . The bombers would use incendiary bombs to devastate Japanese cities and fry Japanese civilians. . . .

Only difficulty and delay in diverting weapons promised the British prevented the plan from being carried out on schedule and enabled Japan to get in the first blow. . . .

The policy of setting up concentration camps ... was invented by the British in the war they fought against the Boers for the profit of Jewish predators in South Africa. — Revilo P. Oliver (*Liberty Bell*; January 1989; p. 1)

Lord Kitchener ... ordered ... a war of total destruction and ruthlessness against a whole people. That meant destroying all livestock and crops, burning down the Boer farms, and **herding the women and children into concentration camps. Reports about these camps shocked the entire civilized world...**

“Almost all farmsteads and villages in both republics have been burned down and destroyed. All crops have been destroyed. All livestock which has fallen into the hands of the enemy has been killed or slaughtered.

“The basic principle behind Lord Kitchener’s tactics has been to win ... by bringing the pressure of war against defenseless women and children.

“ ... **This violation of every international law is really very characteristic of the nation which always plays the role of chosen judge over the customs and behavior of all other nations.**” ...

In a very real sense, the Boer war was no war at all, but rather a military campaign of mass murder. While over 26,000 Boer women and children died in the concentration camps, only 6,189 Boer fighting men died of all causes during the war. In fact, more children under the age of 16 perished in the British camps than men were killed in action on both sides....

Like the losers of the Second World War, the Boers had no International Military Tribunal which they could use to punish the victors for war crimes and crimes against humanity. — “The Boer War Remembered”; *Journal of Historical Review*; Volume 1, Number 3

[W]ith the opening of the twentieth century those of the great territorial English families in which there was no Jewish blood were the exception. In nearly all of them was the strain more or less marked, in some of them so strong that though the name was still an English name ... , the physique and character had become wholly Jewish and the members of the family were taken for Jews whenever they travelled in countries where the gentry had not yet suffered ... this admixture. — Hilaire Belloc; *The Jews*; chapter 10

According to Dr. Nossig, any taint of Jewish blood ... will so alter the brain cells ... of many subsequent generations of an apparently pure Aryan family that the descendants will be susceptible to Jewish propaganda and can readily be mobilized against their own race. — Revilo P. Oliver; *The Jewish Strategy*; chap. X

The Italian Volunteer Legion of Camillo Ricchiardi [in the Second Boer War] carried out the capture of an armoured train near Chieveley, Natal. Among the passengers who were taken prisoner was the young journalist Winston Churchill, whose life Ricchiardi spared by pretending not to see him dumping his pistol and dum-dum ammunition which had been declared unlawful on pain of death. — <http://historyreviewed.com/?p=9236>

[T]he First World War was precipitated in August as a consequence of the assassination ... of the Austrian Archduke ... by a “Serbian patriot” ... who ... was really a disguised Jew... Winston Churchill ... had known in 1912 that Great Britain would be at war with Germany in the autumn of 1914... [P]enetrating minds deduced from events that the course of history was being determined by some occult and malevolent force that was sedulously hidden from the European public. — Revilo P. Oliver (*Liberty Bell*; January 1988; p. 1)

[President Woodrow] Wilson had been ordered to get the United States into the war as soon

as possible, so [*Pearson's Magazine*] was ruined by his Postmaster General, Burleson, who had the issues delayed in the mails until they were long out-of-date. It is a safe rule that in a “democracy” the criminal activities of politicians are directly proportional to the “ideals” they spout in public. — Revilo P. Oliver; “How British Are the British?”

When the disastrous war in Europe “suddenly” began in September 1914, ... Congressman Lindbergh strenuously opposed the efforts of the shyster in the White House to induce the Americans to [enter the war]....

The Federal government accordingly began outrageously illegal efforts to prevent his reelection ... through their hirelings and stooges in Minnesota, ... [and] by suppressing [his] book by flagrantly unconstitutional means and a terrorist raid on his home, conducted by agents of the “Justice” Department under the command of ... John Edgar Hoover.

The Congressman’s son, Charles Augustus Lindbergh ... , was almost fifteen when the Federal goons raided his father’s home, and one source says that it was J. Edgar Hoover in person who mauled the young boy.

— Revilo P. Oliver (*Liberty Bell*; March 1994; p. 40)

[In Germany in January 1932,] Herbert Norkus was only twelve years old ... [and] was sent out in the pre-dawn darkness to distribute and post bills announcing a National Socialist rally. He was seen and caught by a gang of adult Communists... The autopsy showed two stab wounds in the chest, five in the back. The boy’s face was mutilated beyond recognition, and the lower lip had been cut off. The lad must have died in unspeakable agony. — Dr. Peter H. Peel (*Liberty Bell*; October 1988; p. 34)

[Ambassador Hugh] Wilson relayed information ... that, in 1938, 10% of the practicing lawyers in Germany were Jews... — David L. Hoggan (*Liberty Bell*; March 1984; p. 2)

[T]he Jews and their collaborators ... did not limit themselves to inventing spurious atrocity stories, spurious statistics, spurious statements attributed to Hitler and other German leaders, which were passed off as “news”; they also played expertly on the average American’s emotions and instincts with undisguised fiction. Anti-German novels, anti-German short stories, anti-German stage plays, anti-German comic strips, anti-German nightclub acts, anti-German posters, and anti-German motion pictures were all used effectively...

The Roosevelt government also engaged in physical intimidation to silence the critics of the Jews. The Federal Bureau of Investigation harassed authors, editors, publishers, and lecturers who attempted to warn the American people that the Jews were brewing up a new war for their own ends. J. Edgar Hoover sent out his “black bag” squads to burglarize the homes and offices of law-abiding citizens and to steal their private papers and research materials, all without the slightest worry that the news media would cry “foul!” — Dr. William L. Pierce; “Background to Treason” (nationalvanguard.org/2014/12/background-to-treason-part-3)

“My armoured cars ... cut across the British lines of retreat [at Dunkirk]... But then came a more emphatic order that I was to withdraw... My tanks were kept halted there for three days” ...

“[Hitler] then astonished us by speaking with admiration of the British Empire ... [and saying that] he would even offer to support Britain with troops if she should be involved in any difficulties anywhere...” — Basil H. Liddell Hart; *The German Generals Talk*

Hitler and the German people did not want war! According to the principles of our policy of balance of power and incited by Americans around Roosevelt, we declared war on Germany in order to destroy it.

We did not answer Hitler’s many appeals for peace. Now we must declare that Hitler was right. — Sir Hartley Shawcross (Nuremberg prosecutor); March 16, 1984 (*Liberty Bell*; March 1987; p. 55)

The last prime minister of Rhodesia, Ian Smith, . . . who fought all six years of the Second World War . . . , said to me, “On reflection, we were on the wrong side in the Second World War. . . . It would have been better if we had lost the war, or if we had not been involved in the war at all, or even better, if we had actually gone and helped in the Eastern front to defeat the Soviet Union, who was our real enemy.” — Dr. Peter Hammond (The Andrew Carrington Hitchcock Show; 2021-11-04)

The Communist Partisans, large numbers of whom were not native-born Frenchmen, hoped to provoke German reprisals which would then alienate the French populace. . . . But Germans were not their only targets: throughout the occupation, other Communists, assorted leftists, and rightists were murdered by the Partisans.

Once the Germans were forced to withdraw from France in the summer of 1944, a . . . “Reign of Terror” commenced. Pryce-Jones estimates that there were 105,000 summary executions in France between June 1944 and February 1945. (*The Journal of Historical Review*; Vol. 4, No. 3; p. 377)

[I]n March 1942 . . . the Bomber Command was placed under the direction of Sir Arthur “Bomber” Harris, who inaugurated civilian bombing in the Middle East and India in the 1920s. — Sheldon Richman; “Killing Noncombatants” (*The Journal of Historical Review*; Vol. 18, No. 1)

Mr. Spaight is not content merely to admit that upon Britain rests the responsibility for starting the practice of bombing civilian populations, but insists that to Britain must be awarded the entire credit for conceiving and carrying into effect this practice. . . . Finally, he agrees that Hitler only undertook the bombing of the British civilian population reluctantly three months after the R.A.F. had commenced bombing the German civilian population. . . . — F. J. P. Veale; *Advance to Barbarism* (1968); Chapter 6

Winston Churchill . . . knocked on the glass partition and told the driver to stop, turn around, go back. . . . As he gets out at No. 10 Downing Street, he turns . . . and says: “We have had a message, the beams are on London tonight and it would not be right for me to leave my capital and the citizens of this metropolis to suffer the raid alone.” In fact, the message that he had received told him that the raid was on Coventry and so it was safe to come back to London. . . . His private secretary John Colville writes that that evening he went up on to the roof of the Air Ministry to wait for the oncoming bombers: he wanted to see the raid begin. What a hypocrite. — David Irving; “On Contemporary History and Historiography”

Aachen is the biggest German town in our hands. It is the most exhilarating sight I have seen for years. The town of some 170,000 inhabitants has not now a single habitable house left in it. . . . Ten thousand inhabitants are living like rats in cellars among the debris. One air raid alone caused 3,000 civilian deaths. . . . And it is good to think that what happened in Aachen happened, and goes on happening, in almost every German town. — Report of British war correspondent, printed in London newspaper, Christmas Eve, 1944. (F. J. P. Veale; *Advance to Barbarism* (1968))

The despatches found on the body of Col. Dahlgren . . . prove that the object of the last “raid on Richmond” was to set fire to the city . . . and to murder its inhabitants. . . . This is not *warfare*; it is *assassination*. By the laws of war all who were taken in the act of attempting to execute such a plot were liable to be treated, not as prisoners of war, but as spies and assassins. Their lives were forfeited, if the Confederates had chosen to adhere strictly to the laws of war. — *The Old Guard*, April 1864, p. 95

[T]he principle of atomic fission was discovered by Professor Otto Hahn, late in 1938. . . . Hitler, who was not a blood-thirsty savage like Churchill and Roosevelt, would never have

permitted the use of atomic warfare against Europeans, but possession of such a weapon by Germany would have daunted even the Jews' stooges. — Revilo P. Oliver (*Liberty Bell*; February 1988; p. 3)

In the letter that Frau Goebbels wrote just before she killed her children, she said: “Our magnificent ideal perishes here, and with it, everything I have known in my life that was beautiful, admirable, noble, and good. It is no longer worthwhile living in the world that will come. . . . For that reason, I have kept the children here with me. They are too good for the world that will come after us.” One can foresee a time when conscientious American parents may have the same concern for their children. — Revilo P. Oliver; “Echoes of the Great Catastrophe” (*Liberty Bell*; February 1988; p. 8)

Consider the case of German Colonel Sottmann, who was willing to testify as to what he knew of British plans to occupy Norway, which Germany managed to pre-empt by just a few hours. Sottmann was locked up and did not get a chance to present this evidence [at Nuremberg] in defense of Admirals Raeder and Doenitz, Field Marshal Keitel, and Colonel General Jodl. — Major Donald Vincent Clerkin; *Liberty Bell*; October 1985; p. 21

The treatment given Julius Streicher was typical: According to a manuscript he managed to smuggle to his defence council at Nuremberg . . . , “ . . . In Freising put into a north-facing cell. Window was out so it was even colder . . . I was naked. Four days! On the fourth day I was so cold my body was numb. I couldn't hear anything. Every 2–4 hours (even in the night) niggers came along under the command of a white man and hammered at me. . . . Fingers gouged into eye-sockets. . . . Genitals beaten with an ox-whip . . . my jaws were pried open with a stick and my mouth spat into. Beaten with the whip—swollen, dark-blue welts all over the body. Thrown against the wall. Blows to the head . . . a heavy chain across the back. When I refused to kiss the nigger's feet, kicks and blows, . . . When I refused to drink out of the chamber-pot in the latrine, fresh torments.” — D. Myatt; *Vindex* (*Liberty Bell*; January 1984; p. 24)

Not until we admit fully to ourselves and the world that the destruction of Germany was a monstrously wicked folly can there be a road back for us out of the sick and dying condition of our polluted and poisoned present. — Dr. Peter Peel (*Liberty Bell*; March 1987; p. 56)

We Jews, we, the destroyers, will remain the destroyers forever. *Nothing* that you will do will meet our needs and demands. — the Jew Maurice Samuel; *You Gentiles*

The [Jewish] race itself seems to form a superorganism for which there is no parallel among other mammals, so that the nearest analogy that we can draw is to certain species of insects, ants, termites, and bees, that form hives or “hills,” with a collective life and a collective intelligence, so that the polymorphic individuals with their specialized functions are, in a sense, merely detached organs or cells of a composite body. — Revilo P. Oliver; “How British Are the British?” (archive.org/details/Revilo_Oliver_pdf)

They agitate for “equality” to facilitate the imposition of their own immeasurable superiority, and for “economic justice” to mask their conviction that all the property in the world justly belongs to them. . . . They denounce “racism” and agitate for “human rights,” with the secret reservation that they are the only race that is human. — Revilo P. Oliver; “The Last Stand” (nationalvanguard.org/2015/03/the-last-stand)

[T]he broad masses of a nation . . . more readily fall victims to the big lie than the small lie, since . . . they would not believe that others could have the impudence to distort the truth so infamously. . . . From time immemorial, . . . the Jews have known better than any others how falsehood and calumny can be exploited. — Adolf Hitler (*Mein Kampf*; volume 1, chapter 10; Murphay translation)
